Remarks:

1. The distance refers to cable distance between the two ends of customer locations.
2. Distance below 10km will be treated as 10km.
3. The tariff above is charged per end of interface (each circuit normally consists of two ends).
4. Service availability is subject to TTFN's network resources and coverage.
5. Minimum subscription period is 12 months.
6. All services above are subject to prevailing TTFN's General Terms and Conditions and Data Services – Terms and Conditions.
7. External relocation means relocation to outside the building
8. Internal relocation means relocation to inside the same building
9. Charges for installation and relocation are for normal TTFN business working hours.

Effective Date of Tariff:

Immediate
